

# Don't miss out on a no-cost energy audit

A Sempra Energy utility®

SDG&E'S BUSINESS ENERGY SOLUTIONS PROGRAM

Turnkey installation services offering products covering various technologies (from LED lighting to kitchen equipment to HVAC and Refrigeration upgrades), many of which are offered at no-cost.

## Easily identify and implement energy-saving upgrades.

SDG&E's Business Energy Solutions Program connects businesses with an authorized contractor who will identify, manage and implement energy-saving opportunities such as LED lighting, commercial refrigeration, HVAC systems, kitchen equipment and more. They'll review the program catalog which offers various technologies, many of which are offered at no-cost or may have a rebate.

Get the most out of your energy and business dollars. Investing in energy-efficient equipment allows you to:

- Extend equipment life, improve reliability and reduce maintenance costs
- Offset new equipment costs and speed up your return-on-investment with rebates
- Improve customer comfort, enhance the customer experience and improve employee productivity

In addition to a no-cost energy audit helping you save instantly, this program offers:

- **Peace of mind:** We set you up with the contractor to perform the audit. We aim for the greatest impact, with minimal interruption, to your business.
- **0% Financing:** To help business customers take advantage of the energy-efficient upgrades SDG&E's On-Bill Financing program helps qualified customers pay for energy-efficient business improvements through their SDG&E bill with a zero-percent interest loan. Learn more at [sdge.com/Obf](https://www.sdge.com/Obf).

*"It's a no-cost energy audit, they can recommend contractors to do the work and it can be all done through On-Bill financing where the bill is split out to manageable monthly amounts, with 0% financing and it just goes onto our energy bill. That was huge. It allowed us to be able to do it."*

– Patty Ungar DVM, CVA Owner Kensington Veterinary Hospital

## BES Program participation requirements

- Current SDG&E service account
- Small to mid-size business customer (non-residential)
- Monthly electrical demand of under 200kW over the last 12-month period

## How do I get started?

You could be the next success story! Reserve your spot for a no-cost energy check-up today.
